Dear Fabra Supporter:

We are so excited for the upcoming 2018-2019 school year!

In previous years, we have had hundreds of friends and families playing games and enjoying every moment at our Howl at the Moon Carnival and Silent Auction. We have had so much fun with this event in the past and are excited to introduce a new tradition this year: the Fabra Fall Festival and Silent Auction! We have no doubt that the fun and smiles will carry over to the new theme!

We are also excited about our Fiesta Walkathon in April! It is an AMAZING day full of activity and school spirit for everyone! We truly appreciate how the Fabra community continues to support and grow with the Walkathon each year.

Resulting from last year's great success, Fabra PTO was able to fund significant curriculum support, classroom supplies, training, field trips, and assist with specialized training programs for students, teachers and staff. We will continue to provide funds to support these great efforts as best we can; however, we will also raise funds for specific campus improvements including portable water stations for playgrounds, water bottle refill kits for the water fountains, canopy shades in the Courtyard, and more!!

We are asking for your help to continue the tradition of success by partnering with the Fabra PTO. Attached you will find a list of sponsorship opportunities; each level offers multiple advertising outlets for your business. In addition to items detailed on the next page, we also encourage our sponsors to take advantage of booth space at the Fabra Fall Festival.

Thank you in advance for your consideration. Should you have any questions or need additional information, please don't hesitate to contact me via email at [PresidentFabraPTO@Gmail.com](mailto:PresidentFabraPTO@Gmail.com) or by cell phone at 210.849.9024 We pledge to be conscientious stewards of your donations. Fabra PTO is a 501(c)3 nonprofit organization; and your gift is deductible.

Sincerely,

*Sara Domine*

**Courtyard Shade**

Students and teachers love to go outside and learn in the Fabra Courtyard! Through practice and experience, "stations" have been established in several areas. PTO would like to provide adequate shade for hands-on activity and extended learning in the fresh air.

We plan to work closely with the District and Fabra Administration to support and fund shade canopies and/or shade trees where best for teaching and student learning. We anticipate this goal to be a collective effort from Parents, Businesses, and Sponsors. When trees and/or canopies are provided, PTO will provide a small, professionally crafted sign that will be displayed on/near the Courtyard with a message "Courtyard shade is proudly donated by the Parents, Teachers, Neighbors, and various businesses within the Boerne community."
